READER FORUM FOR HOT TOPICS, QUESTIONS, COMMENTS AND SUGGESTIONS.

Our Schoolgirls Never Graduate

Dear Virgin Territory,

You're looking for suggestions. Well here are some. I would like to see more schoolgirls and cheerleaders. I love both. With schoolgirls I like the young, slutty look: pigtails, cute tops and of course I love very short skirts. Also have the girl spread her legs, and be sure to get shots up her skirt with and without panties. Cute schoolgirls in and out of uniform are for me.

Next are the cheerleaders. Again, I like them young and slutty with cute, little uniforms and up-skirt shots. Show girls who are flexible and can do splits-they are a hit with the boys on the football team! These girls show their team spirit. Naughty schoolgirls and cheerleaders are what I want. I love your magazine.-J., Green Bay, Wisconsin

Dear J., Schoolgirls and cheerleaders are our

most-requested themes. You'll definitely be seeing more of them. If you would like to see cheerleaders and schoolgirls in XXX action, we recommend Afterschool Slut Club 3, available for order on page 9.

Pee Crazed

Dear Virgin Territory,

I received the August issue the other day. First, I want Jennifer (page 63)! If I can't have her, I want her panties (they must be soaked with girl goo). Rebek (page 79) is okay, too. Maybe they can both be included in a peeing DVD?

When you do a peeing DVD, you should have a few (four to six) of the girls spread their pussy lips wide so that you can get a close-up shot of where the pee comes out while they are peeing. I really, really want you to do a peeing DVD...as if you couldn't tell! It may be the only way I will ever get to watch girls pee. I don't want to die a virgin, as I don't know where to meet any cute females to date or have sex with.

Speaking of peeing, why do some distributors of the magazines object to photos of girls peeing? They must not object to the XXX photos! So, what do they have against girls peeing? I would really like to know.

Here are a few suggestions for the peeing DVD: Lolita Belle, Sasha Yung, Josie DeVille, Kiera Winters, Trinity Rae and Chloe (farm girl).-J.F., Aberdeen, South Dakota

Dear I.F.,

We don't know why some distributors object to urination but not XXX photos. *In any case, we are currently trying to* find models who are comfortable peeing for the camera. It's not that easy!

Pussy Theory

Dear Virgin Territory,

Frederica from the Sept. '14 issue is a beautiful specimen. She exudes sex

appeal with her long, dark, wavy hair and bedroom eyes. And what a pleasant surprise-she has braces! That's not something we see too often in your magazine, especially on a girl as sultry as she. Her figure is to die for, so slender and tight and youthful. That hairless pussy of hers was a delight to see! I love how she spreads her meaty lips open on page 43 to expose a slit that looks like it could barely fit a finger in it. I have a theory about pussies that I want to share with you. I've noticed that girls who have meaty labia like Frederica tend to have smaller pussyholes, and girls with very tiny, almost nonexistent labia seem to have wider pussyholes. I've seen it time and time again. Either way, I like all kinds of pussies-meaty, tiny, hairy, bald. I am just curious to know what you think. Thank you again for your fine magazine and beautiful Federica.-T.W., Birmingham, England

Dear T.W.,

We have noticed, to a degree, your theory about pussies. Some of the tightest twats we've seen have been hidden inside the folds of meaty labia. We can't say for

sure this is an anatomical fact true for all pussies, but your observation is valid.

Alice's XXX Centerfold

Dear Virgin Territory,

Alice is one of my favorite models, and I love to see her fuck! She looked simply delicious in the Sept. '14 issue. I like everything about her, from her pretty blue eyes and flawless skin to her puffy nipples and her juicy pussy. Man, that cunny of hers looks perfect for pounding. I bet she would feel so tight wrapped around my cock. I would put that centerfold photo of her up on my wall and jack off to it every night if I didn't have to worry about visitors. I remember that you did not do hardcore centerfolds for a long time, but lately in just about every issue there is a hardcore centerfold. Being one of those guys who actually likes to see hardcore in your magazine, I think this is a good thing. I didn't mind solo girls in the centerfold, especially if they were super hot. But hardcore is the way to go! Also, I want to thank you for the large cum shot of Alice. I like to see huge globs of white, messy cum all over a girl's face after she's been fucked silly. Great job with this pictorial!-F.G., Hartford, Connecticut

Dear F.G.,

Lately we've had some hardcore shots that were just too good to not put in the centerfold. Glad you've enjoyed them!

Under Missie's Spell

Dear Virgin Territory,

The covergirl of your Sept. '14 is a fine specimen of teen sexuality if I ever saw one. It's not just that she's a cute girl. Her playful expression really pulled me in. She was making love to the camera with that smile. Her pictorial was just as enticing. Not every girl has a knack for modeling, but Missie really knows what she's doing. If she's anything in real life what she's like in photos, she'd have me so wrapped around her

THIS IS ADULT MATERIAL

All of the performers/models, and all of the characters that they portray, were over 18 years of age at the time of the photography. The content is inappropriate for minors, and appropriate care should be taken to ensure that it is not viewed by anyone under 18 years of age.

pinkie. This little teenage pixie caused me to blow some very impressive loads. The only thing that was missing from her pictorial was a shot of her butthole. I like to know what every model's pussy and butthole looks like. It's what we buy your magazine for! I hope the next time Missie is featured we get to see that starfish up close and personal.-T.K., Denver, Colorado

Dear T.K.,

Missie is indeed a great model. Keep your eyes peeled for another set of her.

Lusty Lolly

Dear Virgin Territory,

It's always a pleasure to see Lolly, especially when she is sucking and fucking a cock. She is really one of your best models. It looks like she really loves getting dicked, and if she doesn't-she's a great actress because I'm convinced! I would love to see her squirt all over the place while rubbing her clit in a video. How come you never show squirting? With that big, juicy clit of hers I bet she could squirt a mile! I especially love the way she smiles and spreads her pussy when she has a dick inside of her. She looks like she's having fun, and that's hot. Sex with Lolly is uninhibited, unadulterated pleas-

ure.-J.C., Auburn, Washington

Dear J.C.,

Linda on page 36 actually squirts. You'll see it in a DVD soon!

Different Views on El's Tattoos

Dear Virgin Territory,

Why do young, pretty girls feel the need to taint their bodies with tattoos? El from your Sept. '14 issue is so lovely, with the exception of her terrible tattoos. She would look so much better without them. Maybe I'm just old and out of touch, but I don't understand the appeal. These

days just about every young person has at least one tattoo. Personally, I will be happy when this trend is over...if I am even alive to see that day! Although I will say you did a good job of hiding her tattoos, which is no easy feat considering how many of them she has, and in such prominent places. A neck tattoo is just too much for 18eighteen. I couldn't see that monstrosity on her side all to clearly, but I can just imagine. I know there is nothing you can do about this, as tattoos are so prevalent now. Maybe just avoid publishing girls who have so many tattoos altogether.-P.J., Kansas City, Missouri

Dear P.J.,

We do generally try to avoid publishing girls who have many tattoos, but sometimes we feel that some are attractive enough to outweigh the fact that they have tattoos. This was the case with El. We're sorry you didn't agree.

Dear Virgin Territory,

I am 29 years old, and I get the feeling that I may be one of your younger readers. Admittedly, no one else I know my age looks at porn mags. They all use the Internet, and while I use it quite a lot as well, I'm still a fan of magazines and newspapers. Perhaps it's just leftover nostalgia from childhood, but I just like being able to hold a publication in my hand and read it while I drink coffee (or jack off in the bathroom).

That being said, I might have a slightly different perspective from

some of your other readers. First of all, I don't really care too much about the whole young thing. I mean, I don't have anything against it, but I don't have a fetish for it either. I read your magazine because I think the girls are cute, plain and simple. Also, I have noticed that your readers seem to be vehemently against tattoos. They really don't bother me unless it's something extreme. I guess it's a generational thing. Take for example El from your Sept. '14 issue. I kind of like her tattoos. They go well with the curves of her body. But I bet you are going to get responses saying that they didn't like that about her. I understand that ink isn't going to be everyone's cup of tea, but I just think it's useless to complain about it. A girl like El is lovely no matter what. Can't we just focus on that? I don't see the tattoo trend going away any time soon.-K.C., Fort Lauderdale, Florida

Dear K.C.,

You are very perceptive. Please see the letter above yours. We're glad at least one person isn't bothered by the models' tattoos. Thanks for sharing your opinion.

Top Five Flatties

Dear Virgin Territory,

I recently watched one of my

favorite movies, *High Fidelity*. It has inspired me to make a Top Five list of my favorite *18eighteen* flatties. So here it goes.

5. Gina Gerson. Total Russian babe. There's no way she couldn't be on the list. Her body is outrageous, and she's as horny as they come.

4. Candy Rosen. She's a real Midwestern farm girl. Very cute. I imagine her in a gingham shirt and pigtails. Too bad she only made two appearances in your magazine.

3. Alice March. So fresh, so fuckable. I love her nipples. She's also a great lay in her hardcore scenes. Very energetic and vocal.

2. Jessi Rogers. All-around beautiful babe. She has a killer butt and asshole, too. The only reason she is not number one is because of the terrible implants she got.

1. Kira. Barely an ounce of tit-meat on her chest, a skinny body and adorable face and she does anal. She also spreads her holes like the cockcraving slut she is. Need I say more?—B.B., via email

Dear B.B.,

We're fans of High Fidelity too. Thank you for your list! Feel free to make a top five list for buttholes, pussies, braces, creampies and anything else you can think of.

Yui is from Tokyo, a city full of bright lights, tall buildings, exotic food and youthful girls who appreciate the art of seduction and teasing. You'll see in this pictorial how she angles her pussy and ass, revealing just enough of her tight, young body to make you want to nut and crave more at the same time. Yui is the ultimate Japanese fuck-doll.

Yui's got a lot of secrets, but she's willing to share one of them with us.

"My boyfriend and I like to have threesomes. We've been doing it for almost as long as we've been together. In fact, I slept with him and his friend the very first time we were physical. He likes to watch me please other men, and I find it very arousing to

perform like that. Lately we've tried double penetration, but my ass is still a bit too tight. He's started training my asshole by making me wear a buttplug all night while I sleep. Then, in the morning, we have anal sex. I can't wait to try two cocks soon."

Life is too short not to make your sexual fantasies come true.

"There's one thing my boyfriend won't let other men do with me. He wants me to only swallow his cum. It's really hard for me to accept that because I've always loved the taste of cum. Ever since I lost my virginity, I've had my partners finish in my mouth or orgasm on my face. It's so erotic, and I love playing with fresh, hot semen. Some day I'd like to be with multiple partners and swallow all of their loads. That would make me the happiest girl on Earth. Someday I think I'll do it."

GREAGET SECTIONS

Who doesn't love the girl-next-door? Here are the stories of our readers who took neighborly love to the next level.

A Dream Cum True -

Dear 18eighteen:

I'm a nerd, okay? I always have been; I'm not ashamed of it. It's who I am. I never got laid in high school. In fact, I barely had any dates. There were a few RPG gaming sessions where girls (always those "friend zone" girls, of course) were indeed present, but no, sex and romance and making out in the back seat were not in my cards-Magic: The Gathering, or otherwise-in my teens.

I was okay with it, though. Well, not okay-okay. I would have LIKED to see in-person boobs instead of devoting that much time to Internet porn, but you know, I got it. Things were going to get better. Worlds were going to open. I was going to get older and girls (hopefully) were going to like me for me and not just

the captains of the football teams. And all of that happened this year in college. My voice got deeper. My skin got better. I met cooler girls, and eventually one was nice enough to take my virginity. A few more helped me hone the rest of the skills. If nothing else; I've always been a quick learner.

And as I came home for the summer break after this important first year, I had one thing left on my todo list: Laurie Smith, my next-doorneighbor since the second grade. I remember when she moved to the neighborhood. We were friends. We played together. But then junior high happened. She started noticing boys, and man, did they start noticing her back.

Her star took off then: cheerleading squad, homecoming queen, all that jazz. She never turned into a

mean girl or anything; she still said 'hi,' still talked to me. But I wasn't a super jock or a musician or anything cool, you know? I was a regular guy with nerdy hobbies. I watched her like all the other guys, of course—the long blonde hair, the big, blue eyes, those perfect-to-fit-in-your-hand boobs, the cheerleader's ass. I dreamed about her. And when I say dreamed, I mean that I went through 10 year's worth of Kleenex in three years of high school.

And then we graduated. She stayed local for college. I went away. And the day I got back, like some rock video wet dream, she was washing her mom's car in the driveway. I pulled up a couple of houses back and watched her: the long, blonde hair had gotten a little blonder maybe, the tan a deeper shade of California tawny, the string bikini top was an early model I recognized from the summer before-an American flag-style for the fourth of July-the cut-off denim shorts showed those legs off beautifully.

A few more seconds and I'd have to adjust my

cock. I got out and sauntered over.

She turned and gasped when she saw me. "Robbie, freshman year was good to you!"

It was true. I'd grown and filled out and started running cross-country. My skin was clear. My braces were gone. I had a decent haircut, and my roommate had given me a lesson in men's hair products. I was still a nerd with nerdy hobbies, but on this day I traded my Minecraft t-shirt for a polo shirt and nice jeans.

We chitty-chatted for a bit. She caught me up with everything and everyone in and around the hometown. I told her about my studies, running, new friends. Also, I stole glances at her nipples, which were hard and pointy the entire time. Very distracting. Especially the left, which fell beneath a white star on her top and was therefore easy to see.

And then I realized I did have to adjust my cock.

I closed up the conversation and went home to greet the 'rents. Imagine my surprise when about an hour later Laurie showed up on my doorstep. This time her hair and make-up were done (please cock, stay asleep), and she was wearing a peach-colored sundress that lit up her eyes, her blondeness, her tan. Her feet were gorgeous and French manicured in little, flat sandals. The breeze on my porch was stirring beneath the hem of her dress, and I wondered what sort of tiny under things she might be wearing.

I was sure she wasn't wearing a bra. Sweet Jesus...

Then, before my mother and father and whatever forces might've been watching (oh, how I wished one of them was that dick,

Joey, who had been captain of our high school football team....) LAURIE asked ME to go grab dinner.

We ate, we laughed, we talked about being kids together. And then we got in my car and drove to the lake, and she slid into my lap. Imagine my surprise when she ground her bare, wet pussy down on my zipper while slipping a hot tongue into my ear.

I was no longer entirely convinced this wasn't a sick-amazing dream I was having, but I went with it.

"I took my panties off in the bathroom at the restaurant," she giggled. "I don't know what happened to you in college, Robbie," she breathed-my cock was so hard it may have been two inches longer than it ever had been-"but it's like the rest of you caught up to whatever was inside, and I like it."

I wasn't about to spoil it by saying something stupid. I slid my hands up her warm, baby-soft thighs and held them firmly. I kissed her ear, pulling the breath out of her, then eased my hand between her legs to feel the soft, soaking-wet heaven of her pussy. There was a bit of hair-soft. I had fantasized it was

honey blonde. I hoped I would get to see it. The front seat of the car was cramped, but I wasn't about to break up the action.

She was moaning against my mouth as I eased two fingers up into her hole. Tightness closed around them and contracted. My dick ached. My balls ached. They were all jealous of my fingers. I couldn't blame them. "That feels soooo good," she breathed against my ear. I pulled them out, grazing her clit as I did so, raised them to my lips and tasted her sweetness. She went crazy, kissing me, licking my fingers, tasting herself, and then slid off my lap.

Instantly, I felt cold air in place of her heat, but before I could panic she was bent over my lap, unbuttoning my jeans and gently but firmly pulling my cock out into the cool mountain air. She swirled her tongue around the head before swallowing the whole thing right up to the zipper. It was my turn for breathlessness. And control. I almost unleashed my entire load into her throat right then.

Very glad I didn't.

She spent long, loving minutes making love to my prick with her hot mouth. Her tongue painted the shaft. Her lips were swollen with all the desire, and her big blue eyes occasionally smiled up at me, all at once seductive and innocent. I brushed the long blonde hair away from her face and held it for her. She moaned and slurped and hummed on my cock, sliding its length in her small fist while her mouth rode the top of it. The curve of her palm felt like heaven on the head. I eased her back. I couldn't cum. She had to first. If this was the first day of summer vacation there was no way the rest of it could get any better if I didn't stick the fucking landing on this one.

"I want to taste you," I said to her. (To be honest, I'd heard some guy say it in a movie once; my girlfriend at the time told me it got her excited.)

She eased back and leaned herself against the passenger side door, legs coming up, knees splaying out,

revealing her pussy—slick, wet, open and yes...with a honey-blonde triangle just above the slit. Below, all the folds were open and dripping, her clit out and proud. I bent and sucked it gently, sliding those two fingers back inside her. I could feel my pre-cum drip when her pussy contracted around my fingers and she cooed, ready to explode. I licked. Gently, firmly, slowly and felt her go—the power and strength in that pussy, holy shit.

My balls pounded. But I kept going until she said she wanted to ride me. I was honest. I warned her it wasn't going to last after all this fun. She didn't mind and impaled herself on my dick, riding me, holding onto that handle they put on the ceilings of cars that I never use for anything but clothes hangers.

I came like a cannon; I think she still may have been cumming from before. Whatever it was, it was fucking excellent. And she crashed down on me afterwards, breathing heavy but sweetly. I could feel myself dripping out of her, my jeans getting wet. I didn't care.

"How is anything ever going to top that?" I said, still not believing that after a decade-plus of crushing that it had actually happened.

She kissed me gently and said. "We have all summer, don't worry."

-Rob L., Irvine, California

-An Old Dog Gets a Young Filly-

Dear 18eighteen:

This is going to sound like the most clichéd B.S. you've ever read. In fact, my own best friend still doesn't believe me. But it happened. And since I'm 55 years old—and could be senile at some point soon—I'm committing it to virtual paper for myself and for the readers. Because I love your magazine and the tasty, young trim inside it.

I was pretty sure, though, that at my age, the days of getting my hands on anything remotely close to what you're serving up were long gone. I don't mind women my age or even older–let's get it out there–but who could resist the beauty and perfection of a teenage girl? I can still look, right? Well, I do.

Anyway, I live in a townhouse complex that's 55+. I just moved here a year ago. Most people here are older than me, but the rule is that if you have kids living with you, they have to be at least 18. (Tons of people here have grandkids; they're allowed to visit.)

A couple of months ago a woman about my age moved in. Nice lady. Lost her husband a year back. Now, this may surprise the young'uns who read this, but older people still date and have sex; probably more than you'd think. And it wasn't more than a couple of weeks that my new neighbor lived here that she found herself a nice boyfriend and wasn't home all that much anymore. Good for her, right?

Well, right around this time the summer hit and her

21-year-old daughter came home from college. Goddamn if I tell you she was a package. Tits. Ass. All of it wiggling everywhere. The best part, though, was that she seemed so sweet even though that body was as built for sin as they come. She had a short dark bob of a 'do-kind of 1960s meets

Cleopatra—with big green eyes. A serious looker. Her name was Charlotte.

Anyway, most girls that age look at me as fatherly or grandfatherly, or at least that's how I imagine it, but this one? She was different. Coy and flirty. Now had her mother been around more often, I'd have steered clear. You can't shit where you eat.

The other night, Charlotte had a friend of hers over. Cute blondie. They grilled out (I could hear them on the deck out back, giggling and whatnot) and had a glass or two of wine while they cooked. Burgers I

- "I WANT -TO TASTE YOU," I SAID - TO HER. -

Continued on page 62

Yeehaw! Halle's a sexy, little southern belle.

"People don't believe me when I tell them I'm an assistant at the rodeo," Halle, the nursing student from Tennessee, told us. "It's just part of life where I'm from. The rodeo's a cool place to meet guys, too. I like the dusty cowboy in Levi's look, you know? Some of those older bull riders can make my panties drop instantly."

Halle's a real go-getter.

Wait a minute, Linda. Does that mean that you're still a virgin?

"Well, not technically. I've had sex before, but it was a long time ago, and I don't like to count it because he finished in under 30 seconds. He blamed me for his performance, too. He said that my pussy was too tight and that was what made him cum early. That's why I've been trying to stretch more often, but it's not working. I'm still just as tight as when I was a virgin. Sometimes the stretching hurts me a little bit, but it always hurts in a good way. Do you know what I mean?"

Are there any more sexual goals you'd like to accomplish?

"Well, lately when I've been using toys on my pussy, you know, trying to stretch, I've been rubbing the outside of my ass, too. It helps me relax and use bigger toys. I really like the sensation. I just ordered a butt plug online, and I'm just waiting for it to

arrive. I'd really like to try a butt plug in my ass and a toy in my pussy. I love the feeling of being full, and I think that would drive me crazy! I also need to find a steady boyfriend so I can learn how to please a guy. I'm afraid of being bad at blow jobs."

We're happy enough to get a girl who has braces in our studio. And if she does hardcore, even better. And if she does anal, like Moretta, we're truly lucky. Many of our readers are probably familiar with Amai. She started off her modeling career with us and has become one of the best-known young-looking models. She no longer has braces, but we look back fondly on the photos of her smiling so shyly with her tinsel teeth. Tessa is one of our newer models, and while she doesn't take cock on-camera like the other girls on this page, she's still a cutie.

READER CONFESSIONS

Continued from page 28

think. I could smell it. After blondie left, I was out back watering my tomato plants, and she opened her sliders and came outside.

"Hey, Ray...." she said, and before long, she was over on my deck, kicking her shoes off and lying on a deck chair ("Yours are more comfortable than my mom's....") and stretching out. I was trying real hard not to sneak a peek up that cute, little dress she was wearing. My neighbors on the other side are damn nosy.

"Hey Charlotte," I said, "you wanna come in? I got some dinner I gotta get out of the oven."

Surprise, surprise, she did. Came right into my kitchen and hopped up on the island in the center, then grabbed onto me as I passed by.

"C'mere, Ray. You're cute."
"I'm old as dirt," I blurted.

"I like older men," she told me. "They know how things are done." Then she wrapped her legs around my waist and planted one on me.

Let me tell you, friends. One day, you, too, will be my age if you're not already. They don't make any pill that gets your joint as hard as a beautiful, young girl. My dick was younger than her that night.

I carried her tiny, little body into the living room and laid her down on the pile rug, taking the straps on her dress down and teasing her rosy nipples to hard, little peaks. She squirmed and

hands, every inch of her so young and smooth and alive. I couldn't resist kissing her flat, smooth belly. I loved those little, white panties she was wearing—lacy and innocent.

And her snatch underneath was shaved clean! Honest: I'd never been with a girl who shaved it all off before! Straight waxed, smooth like she couldn't grow it. It was odd at first, but to taste it was amazingly free of barriers. I dug in, and she told me she loved my beard in her "cunny," a word I'd never heard before.

I don't care what you call it. If it's smooth and young and pink and sweet, I'll take it.

She rolled on top and slid me inside. She was so slippery—the baldness made it more so, and I could feel all of her girly parts sliding on my balls as she rode me up and down. I didn't want to go inside her and told her to get off as I got close and then—another first—she dove on my dick and took it all in her mouth—almost every drop. Even as I was starting to calm down, watching my spunk drip down her chin made my balls ache again. I would be ready to go in another few minutes.

A good thing, too.

I'd forgotten how horny these young ponies can be.

-Ray S., Hobe Sound, Florida

Lezzie Muff Divers —

Dear 18eighteen:

It all started when I asked my friend, Blanca, what she thought pussy tastes like. She acted all grossed-out at first, but I kept at it.

"Come on," I said. "You never

kissed Mark after he went down on you or anything?"

I was staying at her place for the night. She lived in the apartment next to mine. My studio got painted that afternoon, and there was no escaping the paint fumes. It was summer—way too hot to open the windows.

Her apartment was even smaller than mine, though, and we were lying in the pitch black on her futon that was her bed at night, her couch during the day. I had one, too. That's life in New York City when you're just barely making rent, but neither of us had roommates. In this town, that practically counts as rich.

"I have," she said, "but only because he thinks it's sexy. I've always thought it was nasty."

I was shocked. "You think your own pussy is nasty?"

She laughed. "No, I don't mean it's nasty like it's dirty. I mean, why would I want to taste my own pussy? I like men."

She was so bullshitting. I knew she was curious. I'd seen her looking at my bush in the shower at the gym. She kept hers a little neater. Like a landing strip. I trimmed up the lines–nice and neat and pretty for in a bathing suit–but otherwise I liked mine full and soft. Sexy like some allnatural '80s porn star. Just with less lip gloss and hair spray.

"Why?" I teased. "Would you rather taste someone else's pussy?"

"Actually," she said, "since I'm guessing you want to make me say it: yeah. I would."

My heart started beating then, and before I could say anything, she'd

Continued on page 78

Tali's boobs just popped up this year.

"I know my boobs aren't really big or anything, but I was totally flat until I was 18. Then out of nowhere they started to grow, and they're still growing. I hope they don't get too much bigger because guys are starting to notice, and well, I get kind of embarrassed by the attention. It's like, I like it. But guys never paid attention to me before so it makes me all shy. But when I think about it when I'm alone, it makes me really fuckin' horny, too!"

Tali is trying to grow out her hair.

And we don't mean the hair on her head. She's trying to get a nice, lush bush going between her legs. But as you can tell, she's just started on that journey. "I decided like, last week that I wanted to grow my pubes out. Not like a wild bush or anything. It'll be trim, and I don't think I want it around my lips. But it will be a nice, soft fuzzy pouf on my mound. For a long time everyone just wanted bald pussy. But now bush is making a comeback, so I'm going to grow mine out. I've always shaved down there so it'll be nice to see what it's like to have pubes. I can't wait till it gets longer and softer, and I'm out of the itchy stubble phase! I probably won't be bushy forever, but it's nice to try new

rolled on her side and placed her hand on top of my mound. All I was wearing were boy-short panties. The whole time I thought I was baiting her, but she flipped it. She was smart for a sexy bitch. She stayed quiet, waiting for me to say something, but I couldn't. Her hand pressed down, cupping my pussy. I felt the pressure against my clit and wondered if she could feel me getting wet.

"You want me to taste yours?" she said again. She was smiling. I couldn't see her pretty face or her big, full lips, but I could hear it in her voice.

The cat (pussy?) officially got my tongue. She moved a bit and began to tug down my panties. I was hot and scared at the same time.

"You gonna help me out?" she asked. "Pick up that big, fine ass."

I did as she told me and let her spread my thighs wide. I was shaking. She put her warm, soft hands on my hips, over my pelvic bones, then leaned down and pressed her face into my bush.

"I knew it would be soft," she whispered, and I felt her breath on my pussy. I was getting wetter. My clit was aching for her tongue. She kept teasing me, though, breathing on me, talking to me, saying dirty-ass shit to me that I never thought she would say! Blanca seemed like a good girl. I guess you just have to get them alone in the dark!

READER CONFESSIONS

Continued from page 78

She kissed it. She was kissing my bush, my slit. The hair around it was getting wetter. "Your pussy smells sweet," she said, but never licked me. By the time she spread my lips open and put her juicy mouth on it I was about to lose my mind. I swerved around, surprised to find that at some point, she'd taken her panties off, too.

She guided me up into a 69 so I was practically sitting on her face. She told me to drown her with my pussy while she fucked me with her tongue. It was tough. I wanted to explore her the way she'd done me, but with her eating my cunny like a starved dog it was super-hard to concentrate. I could just barely see it with the little bit of light coming through the blinds, but when I spread her open I could hear how slick and wet she was.

I liked the way she smelled and tasted, too, but I was afraid to go as hard as she was on me. I thought she was a first-timer with another girl, like me. Turned out she was a fucking veteran, and I was the virgin!

I licked her clit; I kissed it, like she'd done mine. I even put her big fat pussy lips in my mouth one at a time, sucking on them. She seemed to love that a lot. But in between she was working me, tongue flicking and fucking me and letting me ride her face, telling me–muffled by my muff–that she dug my hairy pussy. She wanted to grow hers big and fluffy but Mark likes her trimmed.

I told her to grow it out for me and dove in harder. I was getting the hang of it. She rolled me over and now we were 69'd the other way. Me on the bottom. I was covered in pussy, drowning, but then she had me–her tongue was all up in me, on me, around me. Kissing me, letting my lips go so she could dig between them and find it. Hot. So hot I came and came, and she pressed harder while I did and made me go harder. I had to stop eating her so I could moan into her soft, caramel thighs.

Don't get me wrong. I still like boys. But I think this is going to level-up our friendship. Maybe Mark will decide he likes that all-natural pussy when he's got one on his dick and one on his face. I'll let you know.

-Maria V., New York, New York
